## To whom it may concern

I am pleased to write this letter of recommendation for **Ian James – All Carpet Care**.

Ian has been cleaning carpets for our rental department for the past 3 years. There were times when I looked at the carpets and thought these are in serious need of replacing but Ian assured me that he could take care of them and extend the life of the carpet without immediate replacement, and he was right.

He is always prompt in keeping his appointments, professional and does an outstanding job! His prices are competitive, he pays attention to detail, but most of all he will make your carpets sparkle.

I have absolutely no hesitation in recommending the services of All Carpet Care. Please feel free to contact me regarding this recommendation if required.

Yours faithfully  
Dytor & Yates Real Estate
